

| CORPORATE ESSENTIAL | DAY-TO-DAY, EMERGENCY & ACCIDENT BENEFIT OPTION

WHY CHOOSE CORPORATE ESSENTIAL?

It is our **health insurance** offering that provides **essential healthcare solutions** to employees through their employer.

This option complements your medical aid cover, or it can be taken as your primary health cover if you don't have medical aid cover. When your employer requests a health insurance quote from us, we can add **funeral cover** as an important additional insurance.

Our options are subject to **open enrolment, community rating and cross-subsidisation**.

WHAT DOES OPEN ENROLMENT, COMMUNITY RATING AND CROSS-SUBSIDISATION MEAN?

Open enrolment means cover is available to everyone. Community rating means we do not discriminate against individuals based on factors such as race and gender. Cross-subsidisation means that all premiums paid by our clients are paid into one risk pool where all claims are paid from.
